

# MÖDERE. FACT SHEET

## PRODUCT DESCRIPTION:

Modere Trim goes beyond weight management with a unique combination of technologies to accelerate fat reduction, improve muscle tone and restore youthful skin.\*

## PRODUCT BENEFITS:

- Supports fat metabolism\*
- Inhibits cellular fat storage\*
- Supports a reduction in fat cells\*
- Promotes a healthy body composition\*
- Improves muscle tone\*
- Restores youthful skin\*
- Supports joint, muscle fitness and connective tissue health\*
- Supports healthy hair, nails, gums and eyes\*
- Formulated with scientifically studied CLA and multi-patented, award-winning Collagen/HA Matrix® Technology
- Zero sugar
- Zesty lemon meringue flavor

## POSITIONING STATEMENT:

Trim is a product that features an innovative combination of scientifically studied technologies that support transforming your body: to accelerate fat reduction, improve muscle tone and restore youthful skin.\*

Scientifically studied, plant-derived conjugated linoleic acid, or CLA, has been clinically shown to decrease body fat. Not only does CLA support fat metabolism, it actually helps block fat transport from the bloodstream into fat cells, inhibiting fat absorption, reducing fat cell size and reducing fat cell formation. The result is a more sculpted, lean body.\*

Trim also includes multi-patented, award-winning Collagen/HA Matrix® Technology to promote youthful skin and flexible joints. Weight loss can cause skin to wrinkle and sag. This clinically tested technology replenishes collagen and HA (hyaluronic acid) levels in a highly absorbable form, restoring youthful skin. Collagen and HA are also critical to knees, elbows, wrists and the spine where they support flexible joints, and fitness performance.\*

Together in Trim, scientifically studied CLA and Collagen/HA Matrix Technology work potently to deliver a full body transformation experience.

## DIRECTIONS/USAGE:

Take one tablespoon directly by mouth daily, preferably in the morning.

HEALTH AND WELLNESS | SLIM

## KEY INGREDIENTS:

- *Conjugated Linoleic Acid (CLA)*
- *Liquid BioCell®*

## INGREDIENT LIST:

PROPRIETARY BLEND: Conjugated Linoleic Acid (from Safflower Oil), Liquid BioCell® (providing Hydrolyzed Collagen Type II, Chondroitin Sulfate, Hyaluronic Acid)  
OTHER INGREDIENTS: Glycerin (natural vegetable based), purified water, sunflower oil, natural flavors, d-alpha tocopheryl succinate, citric acid, potassium bicarbonate, gum acacia, mixed tocopherols.
